

## Directions to Digino

Digino is located in Killaloe/Ballina on the southern tip of Lough Derg, 5km off the Limerick to Dublin N7. We are centrally located 190km from Dublin city centre, 124km from Cork, 100km from Galway, 50km from Shannon airport, 27km from Limerick City and 20km from Nenagh Town. An impressive thirteen span 11th century bridge connects the twin towns of Killaloe and Ballina.

**From Limerick:** turn left onto the R494 for Killaloe/Ballina 200 meters after Birdhill. Drive 5km to enter Ballina. Best to park on the left opposite the church. Then walk 150 meters down the street; the river is on your left. We're on the left opposite the old petrol pumps and overhead County Chic and the Riverrun Café. Our entrance is at the back of the building so walk down the lane and take the outside stairs on your left.

**From Dublin:** turn right onto the R496 for Killaloe/Ballina (this turn is approx. 500 meters after the left turn for Silvermines). Drive 4km to junction, turn right and proceed 500 meters to Ballina. Further directions as above.
